“Estela’s is a neighborhood favorite - the place we turn to when we want Mexican food that’s tasty, inexpensive and served in big portions. But almost as much as the food, we like the atmosphere. On Friday nights, there’s a mariachi band, and what seems like the whole Davis Islands community packs into Estela’s outdoor patio to sing, dance and sip from the stellar list of tequilas. Good food, good folks, good times - it doesn’t get any better than this.”
